

Integrate the apps you're using with Teams

Bring the apps and services you love into Teams to create your organization's hub for teamwork.

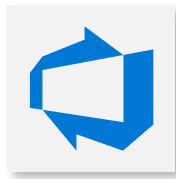

Team has 500+ apps

Find your favorite or add your own

App Studio

Azure DevOps

Jira Cloud

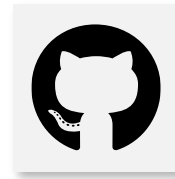

Jenkins

Adobe Creative Cloud

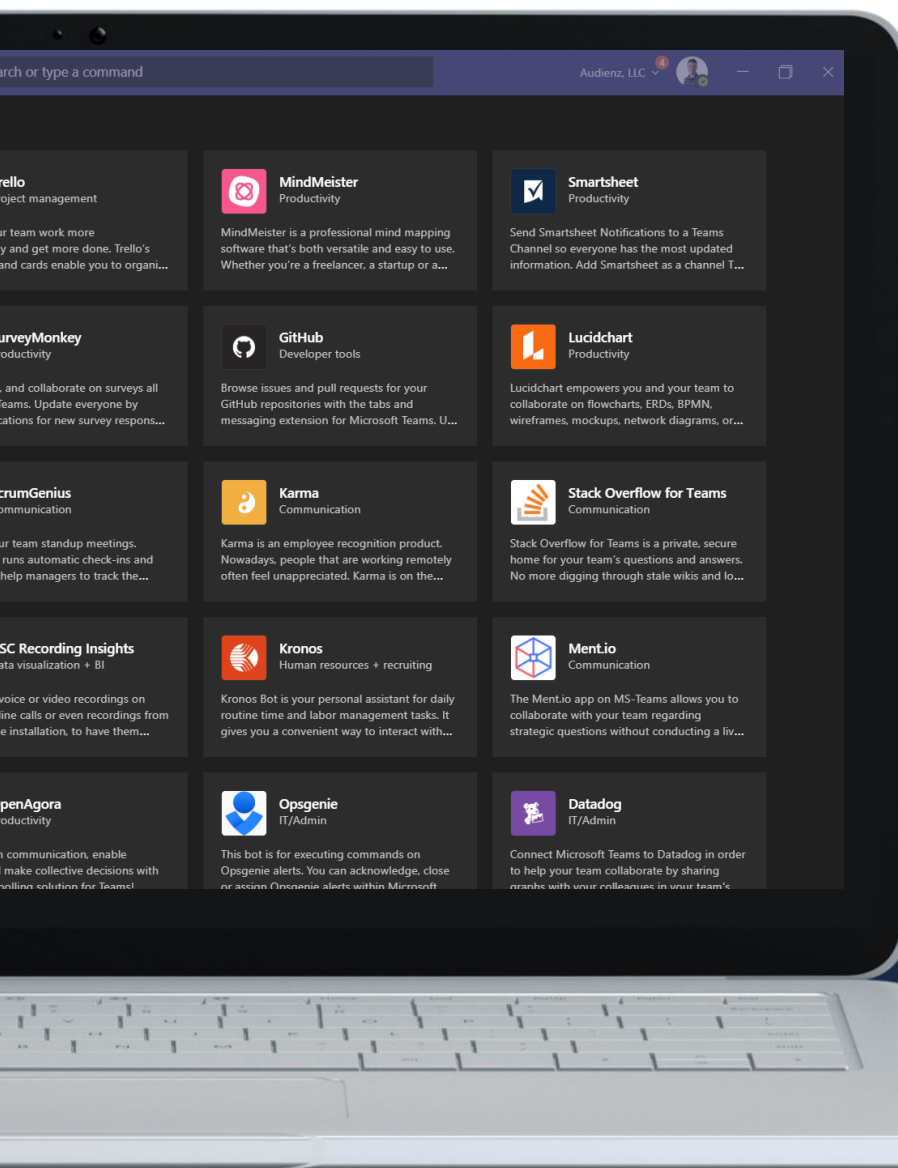

Confluence Cloud

GitHub

Trello

Apps let you do more in Teams.

Think about the tools, files, and dashboards you already use. Many of them can be added right into Teams. And you can find them right in the Teams app store.
