Power the software you need.

The Surface Pro 7 offers the power and performance of a professional grade laptop running Windows 10 Pro with the latest 10th Gen Intel® Core™ Processors, and up to 16 GB of RAM and 1 TB of storage. The versatile 2-in-1 form factor allows you to work flexibly in any environment. From everyday laptop to powerful tablet to portable studio, you can touch, write, draw, type, and more — naturally.

Stay connected with your team.

Surface Pro 7 keeps you connected in more ways than ever. Show up great in Microsoft Teams calls with the front-facing 5.0MP front-facing camera supporting 1080p full HD video. Be heard loud and clear with enhanced, dual far-field Studio Mics. Connect to displays and docking stations, and charge accessories, with USB-C™ and USB-A ports.

Stay productive and secure.

Surface devices are specifically tuned to help employees get the most out of Office 365 productivity experiences and feature the latest in Microsoft modern security features across every layer of the device, from chip-to-cloud. Protect data and allow IT to control user access with BitLocker, discrete and firmware TPM chips, and cloud-powered intelligent security with Microsoft Defender Advanced Threat Protection (ATP).¹

¹ Sold Separately

Make Remote Work with Surface Pro 7

Easy to deploy and manage.

With a custom Unified Extensible Firmware Interface (UEFI) paired with Windows AutoPilot, Surface Enterprise Management Mode (SEMM), and Microsoft Intune (sold separately), Surface allows IT administrators to remotely control firmware-level functionality.
