

Surface for Business

Loved by employees, built by Microsoft

Hardware built with the software you trust

What makes Surface for Business different is the specific experiences and features built for the commercial space including enterprise-grade security, and leading modern management with Autopilot, Surface Enterprise Management Mode (SEMM), and Microsoft Intune.

Windows 10 Pro comes standard on Surface for Business devices, offering additional built-in security and management features that let you focus on running your business.

Meet Surface Book 3 for Business

Leave your desk behind and keep performance by your side. New Surface Book 3 is a robust laptop, powerful tablet, and portable studio. Our most powerful Surface laptop yet is faster than ever, pairing speed and graphics with the versatility you require.

Render video and motion graphics smoothly with the best graphics performance on any Surface laptop, powered by the latest NVIDIA® GeForce® or Quadro® GPUs and faster memory with up to 2TB of lightning-fast, pro-level storage and 32GB RAM.¹

New Surface Go 2 for Business

Connect in the office, from the field, or on the go. Our compact, lightweight 2-in-1 empowers employees to get the job done with the full power of Windows 10 Pro. A larger, brighter, and more brilliant touchscreen display now 10.5" expands horizons.

Surface Go 2 is a faster companion to run the essential business apps you rely on every day. Surface Go 2 is a faster companion to run the essential business apps you rely on every day. With 8th Gen Intel® Core™ m3 and Pentium® processors, Surface Go 2 is faster than Surface Go.²

Surface Pro X for Business

You're always one step ahead. So is Surface Pro X. Sleek design and ultimate mobility combine in our thinnest 2-in-1 ever, with razor-thin bezels that take your ideas to the edge of the brilliant 13" touchscreen.

Stay connected and work more efficiently anywhere³ with blazing-fast LTE⁴ and a new Pen* that charges and stores securely in the Surface Pro X Signature Keyboard.*
