# Meet the family

Unlock your team's potential with Microsoft Surface for Business devices and accessories. Groundbreaking design and innovation are at the core of every product, empowering your workforce to succeed wherever they work. Surface offers streamlined, zero-touch deployment; modern manageability; a seamless Microsoft 365 experience; and enterprise-grade security built in.

From fostering connection and collaboration to simplifying day-to-day tasks, Surface tools are built to power your business today and into the future.

# The OS for hybrid work

## Windows 11 for business

Powerful for employees.  
Consistent for IT. Secure for all.

Accelerate seamlessly into the era of hybrid work on the operating system designed to support the way work gets done now: quickly, securely, and from anywhere, anytime.

### BENEFITS

Free your employees to focus on the important things with a simplified and streamlined UI. Help them easily organize with Snap Layout and Snap Groups.

Keep the collaboration going with deeper Teams integration for more effective online meetings. You can even share, mute, and unmute right from the taskbar.\*

Get up and running in no time. Migrate with confidence using familiar IT tools with guaranteed application compatibility backed by App Assure.<sup>1</sup>

The most secure Windows yet with a Zero Trust-ready OS, built-in security, hardware-based isolation, encryption and malware protection with a Zero Trust-ready OS. Windows 11 includes powerful built-in security, hardware-based isolation, encryption, and malware protection.

### MINIMUM SYSTEM REQUIREMENTS

Processor: 1 gigahertz (GHZ) or faster with 2 or more cores on a compatible 64-bit processor

Memory: 4 GB RAM

Storage: 64 GB or larger storage device

System Firmware; UEFI, Secure Boot capable

[Trusted Platform Module \(TPM\) Version 2.0](#)

Graphics Card: DirectX 12 compatible graphics / WDDM 2.x

Display Resolution: >9" with HD Resolution (720p)

Certain features require specific hardware. See detailed system requirements.

The new Windows 11 is our most productive and secure version of Windows ever, yet it's simple to deploy, operate, and manage – making life easier for IT.

The expanded Surface portfolio lets you choose either Windows 10 or Windows 11 on select devices. It's up to you.

# Surface Pro 8

## The most powerful Pro

The all-new Microsoft Surface Pro 8, our most powerful Pro ever, combines laptop computing power with the flexibility of a tablet—and every angle in between.

Empower your teams to get it all done with larger 13" PixelSense™ Flow Touchscreen Display, Thunderbolt™ 4 ports, and built-in storage for Microsoft Surface Slim Pen 2\* within the detachable Microsoft Surface Pro Signature Keyboard.\*

Microsoft Surface Slim Pen 2 — recharges and stores securely in Microsoft Surface Pro Signature Keyboard

### BENEFITS

- More power than ever with 11th Gen Intel® Core™ processors, combined with built-in active cooling
- Most advanced digital pen experience on a Pro – rechargeable Surface Slim Pen 2 stored securely in Signature Keyboard
- Sleek and compact, Surface Pro Signature Keyboard performs like a full laptop keyboard
- Up to 120Hz refresh rate for even smoother pen experience and more responsive touch

### SPECS

- 9.3 mm thin
- Starting at 1.96 lb / 891 g
- 13" PixelSense™ Flow Touchscreen Display
- Two USB-C® and Thunderbolt™ 4 ports
- Optional LTE Advanced<sup>1</sup>
- Up to 16 hours of typical device usage<sup>2</sup>

# Surface Pro 7+

## The classic Pro

Experience the perfect balance of laptop performance and tablet mobility in one powerful, portable device. Surface Pro 7+ is designed for workers who need a device that adapts to how they work best in any environment.

Equipped with touchscreen, digital inking, and optional LTE Advanced Pro,<sup>1</sup> Surface Pro 7+ is the perfect lightweight solution for mobile or remote workforces.

High-resolution 12.3" PixelSense™  
touchscreen display

### BENEFITS

Keep your workforce securely connected with optional LTE Advanced Pro

Data security and control with removable SSD

Share and collaborate by inking with Surface Pen<sup>2</sup>

2.1 times faster than before with an 11th Gen Intel® Core™ Processor

### SPECS

Starting at 1.70 lb/770 g<sup>3</sup>

Up to 32 GB RAM and 1 TB storage<sup>4</sup>

Up to 15 hours of battery life<sup>5</sup>

12.3" PixelSense™ touchscreen display

5.0MP front-facing camera with 1080p full HD video  
8.0MP rear-facing autofocus camera with 1080p full HD video

USB-C®

USB-A

Choice of Platinum or  
Matte Black\*

# Surface Pro X

## The totally mobile Pro

In a hybrid world, there’s no time for pause. The all-new Surface Pro X, our totally mobile Pro, offers the versatility and speed to work your way.

Deliver a great customer experience anywhere, at any angle, with all-day battery life\* and a detachable Keyboard<sup>1</sup> with secure Slim Pen<sup>1</sup> storage and charging<sup>2</sup> within the built-in storage tray.

13" PixelSense™ Display

Full-sized Keyboard for industry-leading typing comfort

5.0MP front-facing HD camera

Two USB-C® ports

10.0MP rear-facing autofocus camera

### BENEFITS

- Get fast performance from Microsoft SQ® 1 or Microsoft SQ® 2 processors
- Achieve unlimited flexibility with three work modes enabled by the adjustable Kickstand
- Optional LTE Advanced Pro<sup>3</sup> with nanoSIM and eSIM support
- Enjoy stunning visuals on a big, bright 13" PixelSense™ Display

### SPECS

- 7.3 mm thin
- Starting at 1.7 lb
- 8 GB or 16 GB LPDDR4x RAM
- Up to 15 hours battery life
- Windows 11 operating system<sup>4</sup>

# Surface Go 3

## Flexibility for your frontline

The all-new Microsoft Surface Go 3 is our most portable Surface PC. Give your front-line workers the power, speed, and flexibility to excel anywhere at an incredible variety of tasks.

Empower your hybrid teams to deliver on customer needs, service, and technical duties with a light-weight, versatile device that comes with Microsoft security built in.

### BENEFITS

- Intel® Pentium® Gold or Intel® Core™ i3 processor\*
- Achieve unlimited flexibility with three work modes enabled by the adjustable Kickstand
- Make tasks easy on a bright 10.5" PixelSense™ Display
- Stay productive all day with 11-hour battery life¹
- Optional LTE Advanced²

### SPECS

- 8.3 mm thin
- Starting at 1.2 lb / 544 g
- Up to 11 hours battery life
- 10.5" PixelSense™ Display

USB-C® port

Write and navigate with Surface Pen³

10.5" PixelSense™ Display

Detachable Surface Go Signature Type Cover³

# Surface Laptop Studio

## Incredibly powerful, infinitely flexible

The all-new Microsoft Surface Laptop Studio is our most powerful Surface yet. It offers incredible performance and delivers the highest graphics horsepower of any Surface Laptop.

Seamlessly multitask and handle heavy workflows with quad-core powered 11th Gen Intel® Core™ H Series processors, blazing enterprise-grade NVIDIA® RTX™ A2000 laptop GPUs, and USB 4.0 and Thunderbolt™ 4 ports.

14.4" PixelSense™ Flow Display with 120 Hz refresh rate

### BENEFITS

Get unprecedented performance from Quad-core powered 11th Gen Intel® Core™ H Series processors

Enjoy stunning visuals on a big, bright 14.4" PixelSense™ Flow Display\*

Dynamic Woven Hinge transforms from laptop with full keyboard and Precision Haptic touchpad, to stage and studio modes

Magnetically attach, store, and charge Surface Slim Pen 2<sup>1</sup> under the keyboard to capture inspiration

### SPECS

Starting at 3.83 lb / 1742.9 g

Up to 32 GB RAM and 2 TB storage

Up to 19 hours battery life<sup>2</sup>

14.4" PixelSense™ Flow Display with 120 Hz refresh rate

Two USB 4.0 ports with Thunderbolt™ 4

Two USB 4.0 ports with Thunderbolt™ 4

NVIDIA® RTX™ A2000 laptop GPU

Pen storage

Get productive with full keyboard and Precision Haptic touchpad

Laptop mode

Stage mode

Studio mode

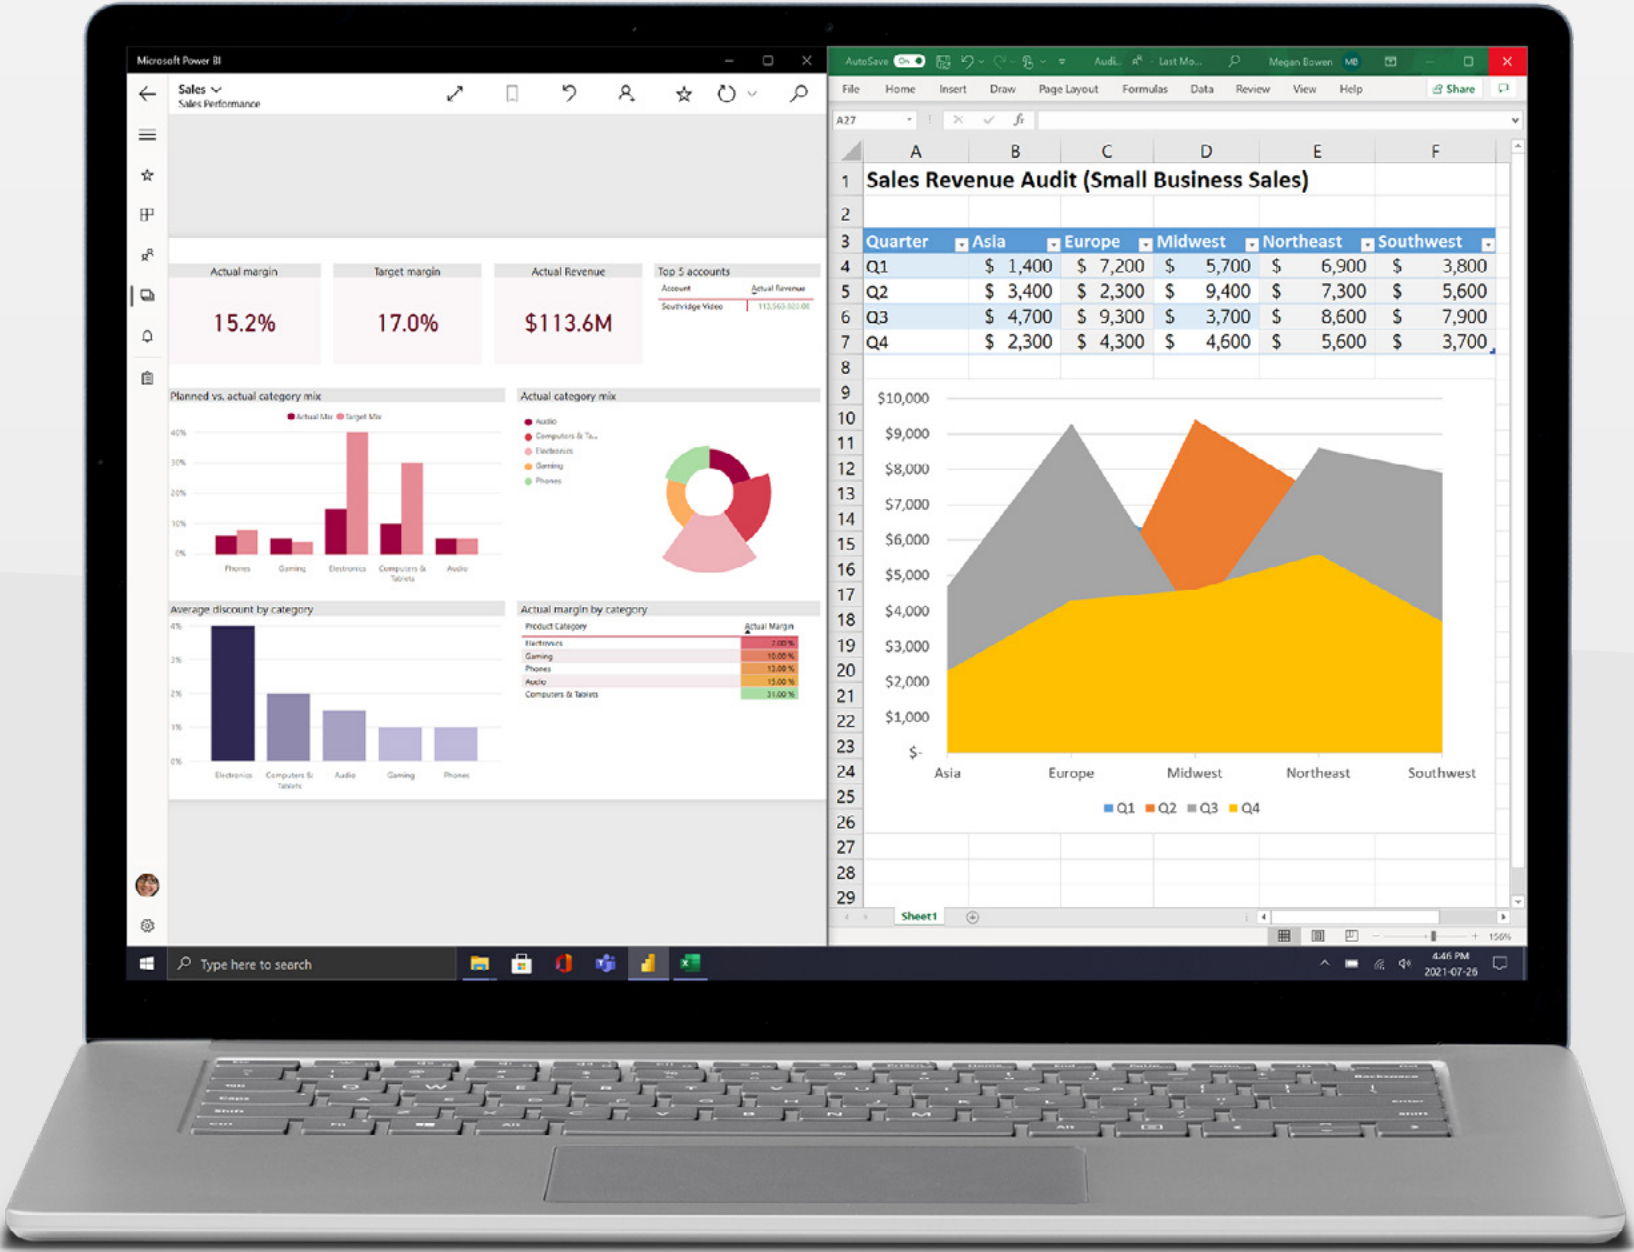

Work the way you want with three modes:

# Surface Laptop 4

## Do it all with speed, style, and performance

Get the speed and multitasking power you look for in a lightweight, ultra-slim laptop fueled by a choice of an 11th Gen Intel® Core™ Processor or custom AMD processor. From video calls in your home office to virtual collaboration in your company's hybrid headquarters, look your best in Microsoft Teams\* video calls with a camera that works in tough lighting conditions. Be heard clearly in meetings with Studio Mics that capture your voice, not your background noise.

Choose from four stunning colors<sup>4</sup>

Matte Black

Platinum

Sandstone

Ice Blue

USB-C® and  
USB-A ports

### BENEFITS

- More multitasking power and up to 70% faster than previous generation
- Thin and light, in a choice of two sizes: 13.5" or 15"
- More accurate skin tone colors on video calls, even in low light, with HD camera
- Maintain control of sensitive data with removable hard drive<sup>1</sup>

### SPECS

- Starting at 2.79 lb/1,265 g
- Choice of 11th Gen Intel® Core or AMD processors
- Up to 32 GB RAM and 1 TB storage<sup>2</sup>
- Up to 19 hours of battery life<sup>3</sup> on Surface Laptop 4
- 13.5" AMD Ryzen™ r5

13.5" or 15" PixelSense™ Display

# Surface Laptop Go

## The everyday, everywhere laptop

Power your workforce with the lightest and most compact Surface laptop. Help employees make an impact with Surface Laptop Go, a balance of performance, battery life, and beauty.

Available in a stunning range of colors,\* an ultra-thin profile, and equipped with apps your employees depend on. Surface Laptop Go is the essential everyday laptop.

### BENEFITS

Power through your workday running the essential apps you need with all-day battery life, a full-size keyboard, and a touchscreen display

- Surface Hub 2S 85": 185 lb/84 kg
- 20-point multi-touch display
- 4K Surface Hub 2 Camera
- Microsoft Teams-certified mic array

Surface Hub 2 Camera

Surface Hub 2S 85"

Surface Hub 2 Pen

# Surface Headphones 2+

## The smarter way to connect

Empower your team with immersive, high-quality calls and distraction-free focus. Depend on a reliable connection during calls and interact with intuitive touch controls—Surface Headphones 2+ are certified for Microsoft Teams\* when you connect with the Surface USB Link from your computer. Meet comfortably all day with up to 15 hours of voice calling<sup>1</sup> time, crystal clear sound quality and active noise cancellation, and soft, breathable earcups.

### BENEFITS

- Immersive, high-quality Microsoft Teams calls and intuitive touch controls
- Be heard clearly with four microphones on each earcup
- Soft earcups are breathable and lightweight, and rotate a full 180 degrees for the most comfortable fit
- Amplify your productivity with the power of voice in Microsoft 365 apps like Word, Outlook, and PowerPoint<sup>2</sup>

### SPECS

- 15 hours of voice calling time
- 13 levels of active noise cancellation
- Bluetooth® compatibility
- Replaceable ear pads and Surface USB Link

# Surface accessories

Elevate your workspace with the essentials.

[Learn more about accessories for your Surface device](#) ➞

## Surface Dock 2

Transform your Surface into a desktop PC with a 199W power supply to charge most Surface devices, plus USB-C® ports that support dual 4K monitors at 60Hz. Simply plug in the Surface Connect cable to charge your device and access external monitors, a keyboard, mouse, and more.

## Surface Arc Mouse

Get precise navigation with the ability to scroll both vertically and horizontally. Slim, light, and ready to travel, Surface Arc Mouse is designed to conform to your hand and snaps flat to fit easily in your bag.

## Surface Ergonomic Keyboard

Reduce fatigue and strain when you type. The natural arc and slope of the Surface Ergonomic Keyboard keep your hands and wrists at a more natural angle.

## Surface Earbuds

Listen and connect with incredible clarity and premium sound. The responsive touch surface enables intuitive gestures like tap, touch, and swipe when you need to adjust volume or answer and end calls.

## Adaptive Kit

Use this kit to identify critical keys, match ports and cables, and open your Surface. The included keycap labels, three-dimensional stickers, port indicators, and openers let you make small adjustments to improve finding, opening, and using your compatible devices and accessories.

## Surface Slim Pen 2

Write, sketch, navigate, and recharge. Take handwritten notes and experience the same feeling you get with pen on paper, with exceptional accuracy and a new storable design. Surface Slim Pen 2 also delivers incredible shading and pressure sensitivity.

# Accessories certified for Microsoft Teams

## Microsoft Modern USB Headset

Stay focused with a high-quality audio solution

Connect fast and stay focused thanks to high-quality audio and voice, noise-reducing microphone, and intuitive, in-line call controls in Microsoft Teams and more.

USB-C® dongle option

USB-A dongle option

- Comfortable on-ear design
- Background noise-reducing microphone
- High-quality stereo speakers
- Intuitive call controls

## Microsoft Modern Wireless Headset

Connect seamlessly—and wirelessly—to your workspace

Get extra mobility; superior audio; and simple, on-ear call controls. Flip-to-mute microphone with status light lets you see at a glance whether you are muted or not.\*

# Accessories certified for Microsoft Teams

## Microsoft Modern Webcam

High-quality video conferencing for Microsoft Teams

Look your best on face-to-face calls and Microsoft Teams meetings. HD camera with a versatile, easy-to-mount system adds reliable, high-quality video to your laptop workspace. Featuring high-quality video with HDR and TrueLook.

- Facial retouch and auto light adjustment
- Versatile mounting system
- Integrated privacy shutter and LED usage indicator
- Up to 1080p video and expansive 77° field of view

## Microsoft Modern USB-C® Speaker

Your workday audio companion for better calls and music

Add high-quality audio to your workspace wherever you are. Certified for Microsoft Teams, Microsoft Modern USB-C® Speaker seamlessly integrates with your Surface or other Windows 10 PC for clear, reliable calls and great sound for music.

- Intuitive meeting controls, with mute button and status indicator
- Omni-directional, background noise-reducing microphone
- High-quality speaker optimized for voice
- Premium, compact design with cable storage and carrying case
