

Microsoft Teams transforms workplace collaboration

Drive workplace collaboration through one digital hub where teams can meet, call, and chat. Use Microsoft Teams to have instant conversations with members of your staff or guests outside your organization. You can also make phone calls, host meetings, and share files.

(and growing)

200+
organizations have
10,000+ active Teams
users

Before we transitioned to remote working, we had approximately 30 Teams meetings a day. Now it's up to 500 a day. We're all working better together to continue to provide amazing customer support and simplify health services for our members in a challenging time.
